22nd June 2004

Dear Parents,

The Visit to Buckingham Palace

I am just writing to let you know that my visit to Buckingham Palace was on Wednesday 9th June. Her Majesty the Queen was quite magical and so gracious. She gave out 92 medals including my OBE, making each and everyone one of us feel very, very special. Truly, it was an unbelievable day and the memories will stay with me forever. I have never been so nervous, I now appreciate how nervous our children are sometimes. I just kept telling her Majesty how wonderful all our children are.

As only three guests could attend our two girls were there and loved every minute, whilst Andrew visited the Science Museum and Harrod's Toy Department – spending every bit of his pocket money! On the day Virginia McKenna and Peter Postleswaite were also receiving their awards. I have invited them to our Summer Fair on Sunday 11th July!!!

This award is for Franche First School and Worcestershire. Many thanks to you all.

With best wishes
Yours sincerely

V. Weddell-Hall
